2026 – 03 Job Posting – Field Archaeologist

Landsong Heritage Consulting Ltd. is hiring permanent, full time **Field Archaeologists** to join our team. If you thrive outdoors and love exploring diverse landscapes, this role offers the chance to contribute to culturally grounded archaeology across BC while working alongside a supportive, collaborative team. You'll take part in meaningful heritage work with Indigenous communities, grow your field skills, and be part of a company that values safety, respect, and your professional development.

About Us

Landsong Heritage Consulting Ltd., Indigenous-owned and founded in 1998, is based in Moberly Lake, BC and works across BC. We take a cultural approach to archaeology, partnering closely with Indigenous communities to support heritage resource management. Guided by our core values; Safety, Quality, Integrity, Innovation, and Respect, we foster a collaborative, supportive environment where professional growth thrives.

Our Ideal Candidate has the **Following Qualifications**:

- B.A. or B.Sc. in Archaeology or Anthropology (required).
- Aptitude for learning new fieldwork tasks.
- Strong communication and writing skills, including basic proficiency with word processing and spreadsheet programs.
- Commitment to workplace health, safety, and environmental stewardship and ability to actively participate in team safety processes.
- Ability to work independently and collaboratively as needed.
- Completion of an archaeology field school is considered an asset.
- Navigation experience (compass, GPS, mapping) is considered an asset.
- Valid Class 5 Driver's License (required).

Duties and Responsibilities: (tasks and responsibilities may include, but are not limited to):

- Conducting archaeological assessments with subsurface testing in varied terrain and landscapes for sectors such as renewable energy, oil and gas, and residential development.
- Collecting data to support community-led Indigenous land use studies.
- Travelling to locations throughout BC, including remote areas, with accommodation in hotels or resource camps.
- Complying with and contributing to the continued development of Landsong's Environment, Health & Safety (EHS) Program.
- Adherence to the Landsong Quality Management Program (QMP).
- Potentially assisting with project management, the Landsong EHS Program and general administration.

Working Conditions:

- Field-fitness: fit to hike up to 10 km a day in rough terrain while carrying field and personal equipment, conduct shovel testing, lift up to 45 lb.
- Ability to work field shifts of up to two weeks in duration, including weekends.
- Must reside in or be willing to relocate to **Moberly Lake or Chetwynd, BC**.

What we Offer:

- Depending on experience and qualifications, target compensation for this role is $70,000 - $80,000/ year (based on a 36-hour work week, equivalent to $37-$42 per hour). Additional hours worked will be compensated as time-off or remuneration.
- Extended Health Benefits: life insurance, medical, dental, long and short-term disability, etc.
- Field Gear Allowance: $500/year.
- Personal and Health Spending Accounts: $750/year.
- Employer matched RRSP/DPSP program.
- Cell Phone Reimbursement: $1200/year.
- Additional paid holidays during office closure during winter holidays (typically 3-4 days).
- Funding for training and conferences.
- Relocation benefit (for staff relocating to Chetwynd/Moberly Lake area): up to $3000.

How to Apply:

If you are interested in this position, please submit your application *(found here)* along with your resume to **HR@landsong.com**.
